Subject: Complaint regarding maintenance bill issue (Account Related)

Respected Sir/Madam,

I would like to bring to your notice that there is an issue related to my society maintenance bill. Although the maintenance amount was paid on time, the payment has not been properly reflected in the society account records. Due to this, incorrect arrears are being shown in my maintenance bill.

I kindly request you to please verify the account details and resolve this issue at the earliest. Relevant payment details are attached for your reference.

Thanking you.

Yours sincerely,
