PROFILE SUMMERY

Creative and detail-oriented Software Developer with 1 year of hands-on experience in software engineering. Recently served as a Team Leader, where I enhanced my leadership skills and successfully guided a team toward timely and quality project delivery. I bring a strong work ethic, a positive mindset, and a collaborative approach that helps build healthy and productive team environments. I am eager to apply my technical expertise, problem-solving abilities, and leadership experience in a challenging, growth-focused role where I can contribute effectively and continue advancing my skills.
